

Mobilization PRESENCE starts 2014 with more action for PEACE in the world and in the hearts of the people!

In order to summon all the citizens of the world to exchange messages of peace, wishes for happiness and prosperity for the new year which begins on 01 January, in tune with the World Day of Peace mobilization cloth dolls PRESENCE - The Child in his Felicidade - differentiated and unusual places will dwell in order to fulfill their role as messengers of peace, on this symbolic day for the world.

This mobilization came in Brazil with the creation of Duda and Dodo, the first messengers and mobilizing families and institutions in the world with the holding of workshops on puppet productions and the distribution of same in public squares, as public acts of much excitement, joy and synergy, marked by time and the children's voice.

17 countries have already embraced this cause and on the first day of the year 2014 all people are called to take the messengers of peace around the world and so share this idea that arose in dialogue between Costa Rica and Brazil. The action consists of taking the messengers of peace by various places in the world and register the moment with the message: **Be and Make PEACE!** Then send the registry to the email of REDSOLARE Brazil.

Regardless of creed, social or economic position, in an act of Union, the white flag of peace will be extended in reflection to children, citizens and actions in the world, on

the World Day of Peace, which emerged from the choice of a subject to be reminded to touch the hearts of the people for the common good by Pope Paul VI because many events that shook the world in 1968, as the war in Vietnam.

We want to fight for a better world, and the PRESENCE represents a great act of love and reflection of peace and for peace.
